

High Plains Raceway RV Rental Policies

Facilities

- Each RV spot measures 22' x 40'.
- The spots are oriented back-to-back so you may "pull through" and use two spaces (22' x 80') for an extra charge. If your rig is longer than 40' you must reserve a "pull through".
- We have (20) spots with 30 amp service (10 "pull through").
- We have (6) spots with 50 amp service (3 "pull through").
- RV spots have electricity ONLY, there are no water or sewer connections.

Terms

- Overnight use/occupancy must be prearranged and the gate attendant fee paid for either by the host club or any individual RV spot renter. **MOST** of the time the weekend host club pays the fee for the gate attendant on Friday and Saturday nights. **Please consult the RV calendar online to confirm that overnight use is available on the night you plan to stay**
- If arrangements have been made for overnight use a "day" is defined as from the time the track goes cold (usually 5:00pm) on one day until when the track goes cold the next day. If a club is hosting a single day event, the RV spot is only available the night before the event, not the night following the event.
- If there are no arrangements for overnight use a "day" is defined as from when the gates open until the time the track goes cold.
- A "weekend" is defined as from the time the track goes cold on one day (typically Friday) until the track goes cold two days later. If the host club is paying for overnight access for the Thursday night prior to an event, the "weekend" fee includes Thursday night and all day Friday if the RV renter pays for a full Lapping Day on Friday (see below).

Cost – 30 amp

- \$35 per day (\$55 for pull through).
- \$60 per weekend (\$90 for pull through).
- If you pay for an entire weekend AND pay for a full Lapping Day on Friday, you may plug in all day Friday for no extra charge.

Cost – 50 amp

- \$40 per day (\$60 for pull through).
- \$70 per weekend (\$105 for pull through).
- If you pay for an entire weekend AND pay for a full Lapping Day on Friday, you may plug in all day Friday for no extra charge.
